¿Que sucede cuando la promesa de prosperidad eclipsa la promesa del verdadero evangelio -el evangelio de Cristo? Los autores, David Jones y Russell Woodbridge, creen que el evangelio de la prosperidad se construye sobre una teologia defectuosa. En este libro examinan las cinco areas principales de error relacionadas con su ensenanza sobre las riquezas. De forma justa, pero firme, los autores hablan de la historia y la teologia del movimiento del evangelio de la prosperidad, y revelan sus ensenanzas centrales erroneas biblicamente que han sido historica y popularmente mal interpretadas, incluso por reconocidos pastores de hoy como T. D. Jakes, Joel Osteen, y Kenneth Copeland. Despues de una introduccion y evaluacion del movimiento, se proporciona a los lectores un estudio de las Escrituras para entender lo que la Biblia dice acerca de las riquezas, la pobreza, el sufrimiento, y las ofrendas.

What happens when the promise of prosperity overshadows the promise of the real gospel-the gospel of Christ? Believing that the prosperity gospel is constructed upon faulty theology, authors David Jones and Russell Woodbridge take a closer look at five crucial areas of error relating to the teaching of wealth. In a fair but firm tone, the authors discuss the history and theology of the prosperity gospel movement to reveal its fraudulent core biblical teachings that have been historically and popularly misinterpreted, even by today's most well-known pastors, including T. D. Jakes, Joel Osteen, and Kenneth Copeland. After an introduction and assessment of the movement, readers are invited to take a look at Scripture to understand what the Bible really says about wealth, poverty, suffering, and giving.
