Say You Love Me (Williams Bros.) Adrienne Byrd

Atlanta novelist Christian Williams knew her husband, Jordan, was the only man she would ever want. But after fifteen years of playing second-best to her husband's successful software company, she'd had enough. Determined to get a divorce, she took refuge at her family's Texas ranch to decide where to go with her life. But when Jordan followed her there, Christian soon discovered that the man she still loved was closer than she ever dreamed.

Jordan had learned from his hard-driving businessman father that you could never be too successful. He thought that once he'd made his business a leader in the software field, he would finally have time to show Christian how much he loved her. Somehow that day had never come, and now Jordan feared it might be too late. With all they've built hanging in the balance, Christian and Jordan must rediscover the desire they once shared—and the passionate dreams still waiting to be fulfilled.
