Joey and Dan have lusted after their attractive older neighbour from the moment she moved in next door, spying on her as they fuelled their sexual fantasies. For Lexie, the mature woman at the other side of the fence, a smouldering passion burns inside her that only a young stud can satisfy. Her body yearns for a chance to get close to them, either one of them, though her wildest desires demand that she needs them both to use their strong bodies to satisfy her needs.

Can fate bring them together, or will the garden fence keep their bodies apart, in a steamy tale of forbidden love?
