## The Story of an African Farm (Oxford World's Classics) Olive Schreiner

This pioneering work was a *cause celebre* when it appeared in London, transforming the shape and course of the late Victorian novel. Lynall, Schreiner's articulate young feminist, marks the entry of the controversial New Woman into nineteenth-century fiction. From the haunting plains of South Africa's high Karoo, Schreiner boldly addresses her society's greatest fears: the loss of faith, the dissolution of marriage, and women's social and political independence.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
