The matriarchs of the faith left a legacy of timeless truth for the women who would follow. God led such incredible women as Deborah, Rebekah, Miriam, and Hannah through life experiences that now offer great wisdom for the Christian life. *Women of the Covenant* explores the stories of eight women from Scripture. The authors also include contemporary faith stories from their experiences. These unique testimonies show meaningful application of the scriptural truth explored in each lesson. This eight-lesson study includes questions for individual preparation and group discussion. God's inspired Word includes stories of real people—with both failures and victories—that point to the redeeming work of God, experienced today through Jesus Christ. *Women of the Covenant* is a spiritual journey for women who carry on the legacy of faith.
