Globalization and American Popular Culture

Lane Crothers

Globalization and American Popular Culture Lane Crothers

Now in a fully revised and updated edition, this concise and insightful book explores the ways American popular products such as movies, music, television programs, fast food, sports, and even clothing styles have molded and continue to influence modern globalization. Lane Crothers offers a thoughtful examination of both the appeal of American products worldwide and the fear and rejection they induce in many people and nations around the world. The author defines what we mean by "popular culture," how popular culture is distinguished from the generic concept of "culture," and what constitutes "American" popular culture. Tracing how U.S. movies, music, and TV became dominant in world popular culture, Crothers also considers the ways in which non-visual products like fast-food franchises, sports, and fashion have become ubiquitous. He also presents a fascinating set of case studies that highlight the varied roles American products play in a range of different nations and communities. Concluding with a projection of the future impact of American popular culture, this book makes a powerful argument for its central role in shaping global politics and economic development.

Jaime McKenney:

As a student exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Globalization and American Popular Culture can make you experience more interested to read.
