Film and television views of the future are always clean, sleek and uncluttered. I used to think it was the technology. That at some point in the future, we'd have the technology to meet our daily needs without the need to climb over all of our daily stuff. Then at one point, quite recently, I realized that we're already there! This book examines over a dozen areas in which you can declutter your home by moving your "stuff" to the cloud. Like Agent Coulson's "Tahiti", the cloud is a magical place. In the cloud, there is no dusting, no shuffling back and forth of stuff with no real home, and most importantly, no racing from room to room to find what it is that you're looking for. Assuming Siri is in an accommodating mood, you can even take it to the final frontier: "Computer, please play my favorite album...."

### From reader reviews:

#### **Jose Carr:**

As people who live in typically the modest era should be upgrade about what going on or data even knowledge to make all of them keep up with the era that is always change and advance. Some of you maybe can update themselves by studying books. It is a good choice in your case but the problems coming to an individual is you don't know what type you should start with. This Moving Clutter to the Cloud is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and wish in this era.

#### **Christopher Levi:**

Information is provisions for anyone to get better life, information presently can get by anyone with everywhere. The information can be a knowledge or any news even restricted. What people must be consider when those information which is from the former life are hard to be find than now's taking seriously which one is appropriate to believe or which one typically the resource are convinced. If you receive the unstable resource then you understand it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take Moving Clutter to the Cloud as your daily resource information.

#### **Nicholas Tapia:**

In this era which is the greater person or who has ability in doing something more are more valuable than other. Do you want to become one of it? It is just simple way to have that.
