**Night of the Necromancer: Can You Survive the Zombie Apocalypse** Kyle West, Jelani Sims  
**A zombie survival game book.**

Death is one choice away. You were a student just trying to survive college. Now, as zombies break down your front door, you must ask if you will survive the night.

You will need weapons. A vehicle. A group. A plan. You must make all the right decisions to avoid a zombie's sharp teeth shredding you to bloody bits.

Will you rescue your overbearing ex-girlfriend who broke up with you hours before the zombies arrived?

Will you trust the survivors you meet along the way?

Will you retreat to the country's little-used roads and creepy forests? Or, will you fight your way through the city's streets, buildings, and subways?

Can you end the Necromancer's zombie reign of terror, or watch helplessly as the world disintegrates into his vision of madness and death?

If you are quick on your feet, you just might live to see another day. One wrong decision, you will end up as zombie food, or worse...a member of the undead.
