Tales from the San Francisco Giants Dugout Nick Peters

The rich tradition of the San Francisco Giants has provided indelible memories for their fans ever since the franchise shifted from the Polo Grounds to Seals Stadium in 1958. The club has been blessed with a plethora of superstars from Willie Mays to Barry Bonds, along with colorful characters like John Montefusco and Jeffrey Leonard. Tales from the Giant's Dugout captures some of the humorous, interesting and poignant moments of the team's 45 years on the West Coast, from the excitement of the intense rivalry with the Dodgers, to bad-blood incidents, to the numerous highlights which comprise the vivid history of the franchise. From cozy Seals Stadium to beautiful Pacific Bell Park - and Candlestick Park, that much-maligned stop in between - the Giants have provided thrills and chills for their fans. Tales from the Giants Dugout will relive the magic and tragic moments of the franchise with stories involving Hall of Famers Willie McCovey, Juan Martichal, Orlando Cepeda, Gaylord Perry, Mays, and the Bonds family, as well as a large supporting cast.
