Bear Shifter Protector BBW Romance

Eric Colburn knew he was next in line for marriage, and, as the bear tradition dictated, the bride would not be of his choosing. She would be the girl whose life he saves. Desperate to live up to his womanizing ways, he tries to manipulate his destiny to make sure she's beautiful. But far greater than his own cunning was the power of fate. Eager to take matters into his own hands he goes too far – and saves the wrong woman in an accident.

Marissa, not the slender and beautiful type Eric is used to, is shy and depressed. She doesn't know her true worth. But can Eric save her from herself, before she takes her own life? Or will Marissa be the one to save Eric?

Warning: Contains a hot Bear Shifter, who might just be a sensitive guy, and a fragile woman, who might just find love for the first time.

This is a stand-alone short story. Contains 2 sexy shifter bonus books. Enjoy!
