Sheva's Promise: A Chronicle of Escape from a Nazi Polish Ghetto (Religion, Theology, and the Holocaust) Sylvia Lederman

In this gripping memoir, Lederman tells her story of survival during one of the most horrific episodes in history. Beginning with Lederman as a young girl in Poland in 1941, *Sheva's Promise* traces her experience in a Nazi ghetto with her mother and sister. Resolved that she must avoid the detention camp to help her family, Lederman obtains a false birth certificate and escapes the ghetto. Through the courage and humanity of a few individuals, she finds work in a hospital in Germany under an assumed identity. With fierce determination and resourcefulness, Lederman manages to elude Nazi capture and eventually immigrates to the United States with her husband. *Sheva's Promise* is not only an invaluable piece of historical record but also the work of a gifted writer whose keen eye for detail and skillful attention to language gives readers an unforgettable story.
