The Cambridge Companion to The Waste Land (Cambridge Companions to Literature)

The Cambridge Companion to The Waste Land (Cambridge Companions to Literature)

T.S. Eliot's *The Waste Land* is often considered to be the most important poem written in English in the twentieth century. The poem dramatically shattered old patterns of form and style, proposed a new paradigm for poetry and poetic thought, demanded recognition from all literary quarters, and changed the ways in which it was possible to approach, read, or write poetry. *The Waste Land* helped to define the literary and artistic period known as modernism. This Companion is the first to be dedicated to the work as a whole, offering fifteen new essays by international scholars and covering an extensive range of topics. Written in a style that is at once sophisticated and accessible, these fresh critical perspectives will serve as an invaluable guide for scholars, students, and general readers alike.
