Desperately Seeking Submission

Jasmyn had several desires in life that were unfulfilled. She had not found the right one yet to trust. She wanted to take things beyond the normal sexual experience. For her it was more about the buildup rather than the actual intercourse. She wanted to learn how to submit and trust the person who was in control. She was new to the lifestyle and did not know where to turn or how to get there. That was until she met Maximilian at the club. He took her to a new level that she never expected. Now that she had started that journey, she would not look back.

This is an adult, graphic erotic romance short story containing explicit content only suitable for adults.
