## **Binding the God: Ursine Essays from the Mountain South** Jeff Mann

A much lauded essayist and poet, Jeff Mann writes of the passion and pain of being a Southern gentleman who happens to be invested in many worlds: the hungers of gay Bear culture; the propensities of leather and bondage; the frustrations of academia; and the perspectives of an Appalachian who has traveled the world. In *Binding the God*, his second collection of essays, Mann offers readers another tour of his consciousness and experiences. This volume includes essays previously published in *Arts and Letters*, *Second Person Queer*, *Callaloo*, *Now and Then*, *White Crane*, *Queer and Catholic*, and other journals and anthologies.
