## **Decision at Sundown (Audiofy Digital Audiobook Chips) Barry Cord**

This Audiofy audiobook chip features a 40 minute reading of "Decision at Sundown" on a tiny memory card. A single Audiofy audiobook chip, hardly larger than a stamp, holds a complete digital audiobook, and saves the last listening position automatically, unlike CDs. With an SD memory card slot or low-cost adapter - like those for digital cameras - this Audiofy audiobook chip can be played on Microsoft Windows and Apple Macintosh desktop computers or laptops (Microsoft Windows XP/2000/Me/98, or Apple Mac OS X 10.3.9 and above) or transferred to Apple iPod media players. Audiobook chips also move seamlessly to most Palm OS and Pocket PC handheld PDAs with SD expansion slots, as well as Treo and Windows Mobile "smartphones" (Palm OS 5.2 or Windows Mobile 2002 and above)... You got to help us-you're the only one who can stand up to him. Big Frank wants all the land around sundown and those who don't sell to him will die-but Frank didn't count on a gunslinger returning home.
