The Complete Freshwater Fisherman

The Complete Freshwater Fisherman

This book, The Complete Freshwater Fisherman, is unlike any fishing volume you've ever seen before. In fact, it's likely that a book, such as this will never be done again. Why? For starters, much of what you are about to see and read is the result of literally thousands and thousands of hours spent researching fish behavior and interviewing experts from all across North America. Nothing was left to chance. Facts were checked, then checked again. But the final test of the book's fishing information happened where it matters most: on the water. Includes chapters on: Largemouth Bass, Smallmouth Bass, White Bass & Striped Bass, Sunfish, Crappie, Yellow Perch, Catfish, Bullhead, Walleye & Sauger, Northern Pike & Muskie, Trout, and Salmon.
