## **Word of Honor** Nelson DeMille

He is a good man, a brilliant corporate executive, an honest, handsome family man admired by men and desired by women. But a lifetime ago Ben Tyson was a lieutenant in Vietnam. There the men under his command committed a murderous atrocity -- and together swore never to tell the world what they had done. Now the press, army justice, and the events he tried to forget have caught up with Ben Tyson. His family, his career, and his personal sense of honor hang in the balance. And only one woman can reveal the truth of his past -- and set him free.

### From reader reviews:

#### **Michael Roberts:**

What do you think about book? It is just for students since they're still students or that for all people in the world, the actual best subject for that? Only you can be answered for that question above. Every person has various personality and hobby for every other. Don't to be compelled someone or something that they don't wish do that. You must know how great and important the book Word of Honor. All type of book can you see on many sources. You can look for the internet methods or other social media.

#### **Carla Helton:**

Now a day people that Living in the era just where everything reachable by talk with the internet and the resources in it can be true or not need people to be aware of each data they get. How people have to be smart in having any information nowadays? Of course the answer is reading a book. Studying a book can help people out of this uncertainty Information mainly this Word of Honor book because this book offers you rich info and knowledge. Of course the knowledge in this book hundred per cent guarantees there is no doubt in it as you know.

#### **Maria Green:**

In this particular era which is the greater man or woman or who has ability to do something more are more precious than other. Do you want to become one among it? It is just simple strategy to have that. What you are related is just spending your time almost no but quite enough to possess a look at some books. Among the books in the top collection in your reading list is usually Word of Honor. This book which is qualified as The Hungry Hills can get you closer in growing to be precious person. By looking way up and review this e-book you can get many advantages.

#### **Shelly Sampson:**

As a scholar exactly feel bored in order to reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Word of Honor can make you truly feel more interested to read.
