"Written for Parents of young children to teenagers, this book shares the joys and outcomes of our vital priority-keeping our children's hearts. Rebellion and immorality are common among teens even within the Christian community. Does Scripture offer any path of hope for more than this for our children? What can parents do to direct children toward godliness rather than worldliness? When does this process begin? What is the cost? Steven and Teri Maxwell believe the key factors in raising children in the nurture and admonition of the Lord (Ephesians 6:4) are whether or not the parents have their children's hearts and what they are doing with those hearts. Keeping Our Children's Hearts offers direction and encouragement on this critically important topic."
