Welcome to “Mustache Mondays”. It all began when some friends and I joked around about me starting a blog, as on occasion people think I’m funny. I took this joke seriously, and upon the New Year decided that this was a good idea. I loved the saying “I Mustache you a Question” and hate Mondays, so I figured the love-hate relation of my title was absolute perfection. People enjoy when I complain about twenty-something problems so that’s the focus. Plus I love satirizing Lena Dunham on Girls in my own way. There were some alternate ideas for this blog however that should not go unread, as they are genius (and my creation).

Alternate blogs include: •Help me! I’m in my twenties and I’m poor! •J-Law’s favorite blog •Can I lose ten pounds tomorrow without trying? and other concerns. •I avoided teen pregnancy... now what? •Cool PINK things I find on the internet •Adorable ugly dog pictures •SubmissivePants, the BossyPants prequel. I look forward to sharing with you my unique perspective on life, liberty, and twenty-something issues (also known as the pursuit of happiness). Enjoy my little mustachers!
