John knows his small manhood isn't enough to satisfy his wife... although he's reluctant, at first, to even consider 'hiring' out for the job.

But soon, his **taboo desire** to see his wife **stuffed and filled** becomes an overwhelming obsession. The only problem is... his lovely woman, Janna, isn't too keen on the idea. So John devises a **naughty plan** to change her mind. What's one little white lie when her pleasure is on the line, after all?

He knows the **alpha, rough, and domineering boss** at his work is packing an **impressive shaft** beneath those expensive pants. And when the devious husband strikes up a deal with the large membered boss... it becomes only a matter of time until he is allowed to witness the erotic act involving his wife -- **hard and without protection!**

But, will his wife ever forgive him when she discovers the lewd plot?
