Hugh Williamson

The International Critical Commentary: Isaiah 1-5 Hugh Williamson

Hugh Williamson's Isaiah 1-5 is the first of three volumes in a important new commentary on Isiah 1-27. For over one hundred years International Critical Commentaries have had a special place among works on the Bible. They bring together all the relevant aids to exegesis - linguistic, textual, archaeological, historical, literary, and theological - to help the reader understand the meaning of the books of the Old and New Testaments. The new commentaries continue this tradition. All new evidence now available is incorporated and new methods of study are applied. The authors are of the highest international standing. No attempt has been made to secure a uniform theological or critical approach to the biblical text: contributors have been invited for their scholarly distinction, not for their adherence to any one school of thought.

Gerald Velasco:

As a student exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's soul or real their passion. They just do what the educator want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The International Critical Commentary: Isaiah 1-5 can make you truly feel more interested to read.

Lena Robertson:
