Untouchable Alexis Blake

This is the first book in the 'Untouchable' Series, a passionate and evocative romance by Alexis Blake.

Mary Margaret finds that there are a lot of things yet to be determined about her life, but her life is in limbo in more ways than one when she returns to her hometown. Her career as a dancer has taken her to great places, and most of her dreams have come true, but there is still one that lingers. Memories of boy next door continue to rotate in her mind, but it just so happens he may be back in town too.

Following his father's passing, Ryan has returned to his childhood house in order to finally make it a place he can call home. Mary's boy next door has turned into a maddeningly handsome man, who seems to have also developed a dominant disposition in the bedroom.

After nearly ten years apart, they find themselves rediscovering a relationship that they both thought was left in the past, but now with a dangerous new edge. But will Mary Margaret allow herself to fall into the arms of a man who has broken her heart before? And will she ever learn the truth about why he left in the first place?

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
