## **6 + 1 Traits of Writing: The Complete Guide for the Primary Grades** Ruth Culham

Why has the 6+1 TRAIT model had such a tremendous impact on writing instruction? Because it works. It allows teachers to pinpoint students' strengths and weaknesses in ideas, organization, voice, word choice, sentence fluency, conventions, and presentation, and focus instruction. Now Culham turns her expert eye to our youngest students. Like her groundbreaking guide for grades 3 and up, her new book contains scoring guides, sample papers, and focus lessons for each trait, but framed to address K–2 teachers' needs! For use with Grades K-2.
