Ring of Fire Heather Huffman

An adventurous blend of love, power, greed, and personal conviction, Ring of Fire reminds us things aren't always as they seem.

When rare, violet-gray diamonds are discovered at Alexandra McAlister's clean-energy research site on a small South Pacific island, the reclusive scientist suddenly finds herself plagued by greedy gem hunters. To make matters worse, the island's government is threatening to revoke her permits so they can capitalize on the find.

Fresh from a confrontation with an annoyingly attractive government official, Alex happens upon a girl in danger. Instinct takes over and she rescues the girl, only to find out she is the island's princess, and the annoying official is her guardian, Daniel!

Alex finds herself thrust into a situation where she has to protect not only her life's work, but also her life itself and that of the precocious teenage princess she grows to love. Daniel appears to be their only chance at survival – if they can learn to get along. Undercover and acting the part of a loving family, they work to find out who is pursuing them and what it is they're after, only to realize their relationship may not be an act after all.

From reader reviews:

Kim Phillips:

Have you spare time for just a day? What do you do when you have far more or little spare time? Sure, you can choose the suitable activity intended for spend your time. Any person spent their own spare time to take a walk, shopping, or went to often the Mall. How about open or perhaps read a book called Ring of Fire? Maybe it is being best activity for you. You already know beside you can spend your time along with your favorite's book, you can wiser than before. Do you agree with it has the opinion or you have some other opinion?

Patricia Stroud:

Typically the book Ring of Fire has a lot of knowledge on it. So when you make sure to read this book you can get a lot of advantage. The book was written by the very famous author. Mcdougal makes some research before write this book. This kind of book very easy to read you can get the point easily after reading this book.

Walter Pressley:

As a student exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some e-book, they are complained. Just small students that has reading's soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring in addition to can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Ring of Fire can make you truly feel more interested to read.

Kim Adams:

Reading a guide make you to get more knowledge from the jawhorse. You can take knowledge and information from the book. Book is created or printed or descriptive from each source this filled update of news. In this particular modern era like right now, many ways to get information are available for an individual. From media social such as newspaper, magazines, science e-book, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Are you hip to spend your spare time to open your book? Or just in search of the Ring of Fire when you required it?
