School-based Research: A Guide for Education Students

School-based Research: A Guide for Education Students

Focused clearly on the needs of the new classroom researcher, this book is a thorough and thoughtful guide to the research process. The book helps new teachers beginning to use research literature to ask questions about published work, by considering the standpoint from which questions are asked, what sorts of answers are deemed researchable, and the audience to whom results are to be addressed. It also contextualizes methodological issues alongside key ideas which teachers are likely to be concerned with, such as ability grouping, pupil voice, pupil behavior, teaching approaches, and pupil motivation.
