**Walden (Annotated Edition)** Archibald MacMechan, Henry David Thoreau

“I went to the woods because I wished to live deliberately, to front only the essential facts of life, and see if I could not learn what it had to teach, and not, when I came to die, discover that I had not lived...”

“Walden, or Life in the Woods” is a book written by Henry David Thoreau (1817-1862). First published in 1849, it has become one of the classics of the environmental movement, along with Ralph Waldo Emerson's “Nature”, and George Perkins Marsh's "Man and Nature".

The ebook also contains a biographical profile of Thoreau written by Archibald MacMechan (1862-1933) in 1918.
