This guide presents over 100 teacher-tested classroom management strategies for K-12 classrooms, including addressing management problems such as: absenteeism, disruptive behavior, tardiness, lack of motivation, and short attention spans. Readers are presented with a classroom management problem, the teacher's concern, and workable options for solving each discipline problem. Additionally, classroom management problems are organized alphabetically for easy reference.

This guide was designed to present management methods that will give the classroom teacher the freedom to provide each child with maximum opportunities to learn, as well as facilitate productive relationships with administration, colleagues, parents, and communities.
