Description of Dying for a Living (Book 1)

On the morning before her 67th death, it is business as usual for Jesse Sullivan: meet with the mortician, counsel soon-to-be-dead clients, and have coffee while reading the latest regeneration theory. Jesse dies for a living, literally. As a Necronite, she is one of the population's rare 2% who can serve as a death replacement agent, dying so others don't have to. Although each death is different, the result is the same: a life is saved, and Jesse resurrects days later with sore muscles, new scars, and another hole in her memory.

But when Jesse is murdered and becomes the sole suspect in a federal investigation, more than her freedom and sanity are at stake. She must catch the killer herself--or die trying.

Description of Dying by the Hour (Book 2)

After 83 deaths, Jesse Sullivan knows how to die. As a Necronite, she is one of the population's rare 2% who can serve as a death replacement agent, dying so others don't have to. But using her NRD to save lives is why she's being hunted.

For Ally Gallagher, death is permanent. If she fails to protect Jesse again, there will be no third attempt. After a quiet year the signs of serious danger have returned. People connected to Jesse are disappearing. Her home is vandalized and threatening messages are turning up in the safest of places.

Then Jesse is taken and Ally has only hours to get her back. But no salvation comes without its price.

Description of Dying for Her (Book 3)

Dead men tell no tales--except this one.

As he counts down the days until he dies, veteran detective James T. Brinkley struggles to keep his imminent death a secret from one of the only people who can save him - Jesse Sullivan, a replacement agent with the rare ability to die, then resurrect. But every replacement is dangerous, leaving Jesse more vulnerable each time.

It's his job to protect her and he will do whatever it takes to keep her safe. They are outmatched by the sadist who hunts them and the detective must search his dark past for clues and a way to save their future.

However, Brinkley has exhausted his options and buried his closest friends. If he cannot be saved, his only wish is to prepare Jesse for the danger she must face without him.
