Historical Dictionary of the Seventh-Day Adventists (Historical Dictionaries of Religions, Philosophies, and Movements Series) Gary Land

Seventh-day Adventism was born as a radical millenarian sect in nineteenth-century America. It has since spread across the world, achieving far more success in Latin America, Africa, and Asia than in its native land. In what seems a paradox, Adventist expectation of Christ's imminent return has led the denomination to develop extensive educational, publishing, and health systems. Increasingly established within a variety of societies, Adventism over time has modified its views on many issues and accommodated itself to the "delay" of the Second Advent. In the process, it has become a multicultural religion that nonetheless reflects the dominant influence of its American origins.

This second edition of *Historical Dictionary of the Seventh-Day Adventists* covers its history through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 600 cross-referenced entries on key people, cinema, politics and government, sports, and critics of Ellen White. This book is an excellent access point for students, researchers, and anyone wanting to know more about Seventh-day Adventism.

Gregorio Leslie:

As a college student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's heart or real their leisure activity. They just do what the educator want, like asked to the library. They go to there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Historical Dictionary of the Seventh-Day Adventists (Historical Dictionaries of

Religions, Philosophies, and Movements Series) can make you truly feel more interested to read.
