## **I Am Not Jackson Pollock: Stories** John Haskell

A bewitching collection of short fiction--haunting and hypnotic meditations on art, movies, literature, and life. In "Dream of a Clean Slate," Jackson Pollock the man struggles with the separation he feels from Jackson Pollock the artist; "The Judgement of Psycho," probes the sexual dynamic of Janet Leigh and Anthony Perkins in Psycho, and then delves into the relationship between Hector and Paris in the Iliad; and Orson Welles presides over "Crimes at Midnight," a tense evocation of desire and its consequences. A series of myths for modern times, this is an astonishing debut.
