Joan Didion

Thalia Book Club: Joan Didion's Blue Nights Joan Didion

Didion discusses her deeply moving new memoir about her daughter, and her own fears and thoughts about growing old, in her first book since the National Book Award-winning *The Year of Magical Thinking*. As with that memoir, in her new one Didion confides and confronts her fears, frailties, and sorrows about her life as she looks back and forward. In conversation with her nephew Griffin Dunne (*After Hours*).

"Time passes. Memory fades, memory adjusts, memory conforms to what we think we remember." (*Blue Nights*)
