**The Poems of St. John of the Cross (English and Spanish Edition)** St. John of the Cross

San Juan de la Cruz, the great sixteenth-century Spanish mystic, is regarded by many as Spain's finest poet. Passionate, ecstatic, and spiritual, his poems are a blend of exquisite lyricism and profound mystical thought. In *The Poems of St. John of the Cross* John Frederick Nims presents his superlative translation of the complete poems, re-creating the religious fervor of St. John's art.

This dual-language edition makes available the original Spanish from the Codex of Sanlúcar de Barrameda with facing English translations. The work concludes with two essays—a critique of the poetry and a short piece on the Spanish text that appears alongside the translation—as well as brief notes on the individual poems.
