**Thomas Murray:**

Information is provisions for people to get better life, information currently can get by anyone in everywhere. The information can be a information or any news even an issue. What people must be consider whenever those information which is within the former life are difficult to be find than now's taking seriously which one works to believe or which one the particular resource are convinced. If you obtain the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not happen inside you if you take [(The Post-Dictatorship Generation in Argentina, Chile, and Uruguay: Collective Memory and Cultural Production)] [Author: Ana Ros] published on (June, 2012) as the daily resource information.

**Keith Vanwagoner:**

In this era globalization it is important to someone to obtain information. The information will make anyone to understand the condition of the world. The condition of the world makes the information better to share. You can find a lot of sources to get information example: internet, newspaper, book, and soon. You will see

that now, a lot of publisher this print many kinds of book. Typically the book that recommended to you is [(The Post-Dictatorship Generation in Argentina, Chile, and Uruguay: Collective Memory and Cultural Production)] [Author: Ana Ros] published on (June, 2012) this e-book consist a lot of the information with the condition of this world now. This book was represented how do the world has grown up. The terminology styles that writer use to explain it is easy to understand. The particular writer made some investigation when he makes this book. Honestly, that is why this book acceptable all of you.
