(Applause Books). The greatest partnership in the history of the musical, captured in print, wonderfully illustrated. For this new edition, the book has been completely rewritten and substantially expanded to include material on Rodgers' early career with Lorenz Hart as well as his later work, and also features recollections from such theatrical titans as Sheldon Harnick, Martin Charnin, Stephen Sondheim and Arthur Laurents. Also, a completely new appendix reveals the details of the continuing worldwide phenomenon of Rodgers and Hammerstein's work up to and including the 2002 centennial year for Rodgers.
