## **Think and Grow Rich** Napoleon Hill

*Think and Grow Rich* is the seminal work by the well-loved and world-renowned Napoleon Hill, a contemporary of Dale Carnegie.

Originally published in 1937, Hill's money making secrets are as powerful today as they were then - and can change your life forever. After interviewing more than 500 of the most affluent men and women of his time, Hill uncovered the secret to great wealth, based on the notion that if we can learn to think like the rich, we can discover wealth and success. He developed a simple but powerful 13-step formula to help you to:

join the ranks of the super-successful. In the original *Think and Grow Rich*, Hill tells stories of Andrew Carnegie, Thomas Edison, Henry Ford, and other millionaires of his generation to illustrate his principles. In the updated version, Arthur R. Pell, Ph.D., a nationally known author, lecturer, and consultant in human resources management and an expert in applying Hill's philosophy, interweaves anecdotes of how contemporary millionaires and billionaires such as Bill Gates, Mary Kay Ash, Dave Thomas, and Sir John Templeton achieved their wealth, each of them exemplifying one of Hill's key concepts. The first book to ask, "What makes a winner?" is a treasure awaiting all who are new to it, or those wanting to revisit its timeless wisdom.
