Blood for Blood Ben Wolf

What if a vampire got saved? Calandra, an evangelist's daughter, is amazed to watch as Raven, a century-old vampire, develops faith. As Raven ceases to drink blood and becomes more human with each passing day, Calandra cannot deny her growing attraction to him even though she is being courted by another man. Raven's newfound salvation is both a relief and a burden, as he encounters multiple vampire taboos and must overcome them. Just when Raven begins to get the hang of his new lifestyle, Calandra is attacked by bandits. Will Raven revert to his old vampiric ways to save Calandra from certain death? Or will he rely on his faith in God to help him ransom Calandra from a new brand of evil more horrifying than he ever was as a vampire?
