Business Systems Review (BSR- ISSN 2280-3866) is a peer reviewed, half-yearly journal, published by the non-profit association Business Systems Laboratory. BSR publishes high level and innovative theoretic, qualitative, quantitative and empirical contributions of researchers and practitioners in the business systems field. The journal aims to endow a multi-field approach with a special emphasis on the systemic approach for business. The journal welcomes submissions based upon both primary research and reviews including papers in areas that may not directly be systemic but concern a topic that is of interest to researchers in the field of business systems. All papers are subject to strict double blind peer review by the international research community.
