Imagine a club, an S&M club, catering to doms and subs.

Imagine it in a nearby city, in a huge vacant lot near the disused docklands. No one can hear you scream.

Imagine a club that has been in existence for over five years, long enough to develop its own code of practice.

Imagine it, as it develops into a place where Bulls can meet married women in a BDSM setting.

A club that understands there are people who long to have submissive maids serve them.

A club that knows there are many who would adore the opportunity to wear one of the club's prized maid's outfits.

A club that has developed an intensive training plan to take anyone from scratch to licenced maid within a matter of days. Anyone, yes anyone.

A club where no maid has every failed to qualify to be a licenced maid. No one is allowed to fail the strict tests and assessments. No one.

A club which has no gender bar, either sex can apply for the maid course.

A club run by a dedicated band of severe, sexy women who single mindedly train even the most recalcitrant of maids.

A club where the dominant Bull males know the beneficial effects of a wife seeing her husband completely transformed. Thus the males do all they can to ensure the complete submission of any maid before his wife.

A club that draws on enhanced, intense, one on one, behavioural modification therapy.

Dream or nightmare?

For Kyle, Club ZerØ Nine's maid feminisation course is a dream come true, especially when the club talks his lovely wife Madison into also attending.

But the club has its own designs on Kyle and Mister Harrison, the club's owner has his own designs on Madison.

Will Kyle escape the club's grip on him and rescue his naïve wife from the machinations of Mister Harrison?

Very difficult when Mister Harrison has Kyle locked into the tightest chastity cage known and when Kyle finds himself Mister Harrison's personal property.
