Listen Up! Zoe Angelsey

"Today, the poetry scene flourishes at New York open-mic spots like the Nuyorican Poets Café, Brooklyn's YWCA Tea Party and Harlem's Sugar Shack. Progeny of hip poets--the Beats of the 50s and protest poets of the 60s and 70s--these up-and-coming literati cast their diverse spells of word beats inspiring young contemporaries in Cleveland, Ohio, Los Angeles, Chicago, Washington, D.C., and Atlanta; later branching out internationally to poetry circuit venues in Tokyo, Rio de Janeiro, London, Paris, Berlin, Amsterdam, and Istanbul."

--Zoë Anglesey

Editor, Listen Up!

Spoken word poetry is a cross-cultural phenomenon. Here for the first time in one hot volume are poems from the nation's top spoken word artists. Listen Up! features nine brilliant award-winning scribes who have ignited audiences worldwide with their soulful verse, bold alliterations, and sultry fusion of rhythm and rhyme--electrifying audiences as they chant, sing, recite, and improvise their poetry and powerful point of view.

Among these nine literary luminaries are Carl Hancock Rux, named by The New York Times as one of thirty young artists "most likely to change the culture in the next thirty years"; Jessica Care Moore, a record-breaking five-time winner of the Apollo competition; and Saul Williams, co-scriptwriter and star of the feature film Slam, winner of the Grand Jury Prize at the Sundance Film Festival and the prestigious Camera D'Or at Cannes.

Packed with penetrating interviews on the craft of writing poetry, insight into the art of performance, and on-target, off-guard photos of the poets in action at history-making poetry slams, this unforgettable collection is the next best thing to being there live.

From reader reviews:

John Richardson:

Book is written, printed, or highlighted for everything. You can know everything you want by a guide. Book has a different type. As we know that book is important factor to bring us around the world. Close to that you can your reading skill was fluently. A publication Listen Up! will make you to always be smarter. You can feel more confidence if you can know about every little thing. But some of you think which open or reading any book make you bored. It is not make you fun. Why they may be thought like that? Have you trying to find best book or acceptable book with you?

Angelina Rone:

What do you think of book? It is just for students since they're still students or this for all people in the world, the actual best subject for that? Just simply you can be answered for that query above. Every person has several personality and hobby for every single other. Don't to be compelled someone or something that they don't desire do that. You must know how great along with important the book Listen Up!. All type of book is it possible to see on many options. You can look for the internet sources or other social media.

Lisa Christopher:

Nowadays reading books become more and more than want or need but also get a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book this improve your knowledge and information. The data you get based on what kind of book you read, if you want have more knowledge just go with education and learning books but if you want truly feel happy read one together with theme for entertaining such as comic or novel. Often the Listen Up! is kind of e-book which is giving the reader unpredictable experience.

William Ochoa:

This Listen Up! is fresh way for you who has interest to look for some information mainly because it relief your hunger of information. Getting deeper you in it getting knowledge more you know or perhaps you who still having bit of digest in reading this Listen Up! can be the light food for yourself because the information inside that book is easy to get by simply anyone. These books build itself in the form which can be reachable by anyone, sure I mean in the e-book type. People who think that in book form make them feel sleepy even dizzy this reserve is the answer. So there is absolutely no in reading a e-book especially this one. You can find what you are looking for. It should be here for you. So , don't miss it! Just read this e-book type for your better life as well as knowledge.
