## **True Detective (Nathan Heller Novels)** Max Allan Collins

In the mob-choked Chicago of 1932, private detective Nathan Heller may be willing to risk his life to earn a Depression dollar, but he never sacrifices his slicing wit. That's why mystery fans and critics alike rank the historical thriller True Detective at the top of their lists —and why the book swept up a Shamus Award for best novel from the Private Eye Writers of America.

Now, author Max Allan Collins (Road to Perdition) reissues the contemporary classic that introduces the inscrutable, wise-cracking Nathan Heller in all his guts and glory. Mayor Cermak aims to scrub up Chicago's rancid reputation for the World's Fair, and that daunting task comes down to the youngest plainclothes cop in town, Nathan Heller of the pickpocket detail.

When the Mayor's "Hoodlum Squad" brings Heller along on a raid with no instructions but to keep his mouth shut and his gun handy, he finds himself an unwitting, unwilling part of an assassination attempt on Al Capone's successor, Frank Nitti. Soon, he's smack in the middle of a power struggle between the mob and the mayor, and it's up to the young detective to upend a potentially nation-shaking political assassination in Miami Beach. In Collins' eruptive and evocative large-landscape historical thriller, readers consort with the likes of "Dutch" Reagan, George Raft, and FDR himself, as the author weaves the intricate history of the Chicago's Century of Progress with a classic noir mystery. Rich in riveting plot turns, including a beautiful female client and a heartbreaking romance, True Detective is one of the most highly entertaining and unlikely coming-of-age stories ever written.
