Twelve Days

Vita Sackville-West

Twelve Days Vita Sackville-West

The Hon Victoria Mary Sackville-West, Lady Nicolson, CH (9 March 1892 – 2 June 1962), best known as Vita Sackville-West, was an English author, poet and gardener. She won the Hawthornden Prize in 1927 and 1933. She was known for her exuberant aristocratic life, her passionate affair with the novelist Virginia Woolf, and Sissinghurst Castle Garden, which she and her husband, Sir Harold Nicolson, created at their estate. *The Edwardians* (1930) and *All Passion Spent* (1931) are perhaps her best known novels today. Sackville-West's science-fantasy *Grand Canyon* (1942) is a "cautionary tale" (as she termed it) about a Nazi invasion of an unprepared United States. The book takes an unsuspected twist, however, in that makes it something more than a typical invasion yarn.
