Adolescent Emotions: Development, Morality, and Adaptation: New Directions for Youth Development, Number 136

Adolescent Emotions: Development, Morality, and Adaptation: New Directions for Youth Development, Number 136

Take an in depth look at how emotions relate to adolescents' decision making, reasoning, and behavior in morally relevant situations. It provides a summary of current research on emotions, morality, and adaptive behaviors. Furthermore, it discusses new approaches to research on emotions, morality, and socially adaptive behavior in adolescence. By doing so, the articles provide new insights into adolescents' emotional and moral development and show how emotions contribute to the way adolescents negotiate, resolve, and adapt to the moral and social conflicts that inevitably occur in their everyday lives. By integrating innovative perspectives from developmental, educational, and clinical research, this volume has much to offer for researchers, youth practitioners, and educators.

This is the 136th volume of *New Directions for Youth Development*, the Jossey-Bass quarterly report series dedicated to bringing together everyone concerned with helping young people, including scholars, practitioners, and people from different disciplines and professions.
