Diversified Health Occupations, 7th Edition Louise M Simmers

The highly respected Diversified Health Occupations, now in its seventh edition, is the informational authority on careers in health care. Organized in two parts, the first section of the book presents foundational information required to enter a broad range of health professions. The second provides fundamental entry-level skills by specific careers, including medical assisting, dental assisting, and more. Carefully revised with new photos throughout, the seventh edition includes updated information on the Food Guide Pyramid, infection control information, standards for blood pressure that concur with AMA and AHA recommendations, and much more.
