I Like Hong Kong: Art and Deterritorialization

Frank Vigneron

I Like Hong Kong: Art and Deterritorialization Frank Vigneron

Frank Vigneron, an advocate of all things local, boldly calls for the cultivation of an environmental consciousness that encourages the development of local cultures. Vigneron draws on comparative aesthetics and the work of several contemporary philosophers and sociologists to make sense of recent movements among the arts community of Hong Kong. He also traces threads of communication between different cultures within Hong Kong's former arts establishment.
