Circlet Press is pleased and excited to be bringing back Laura Antoniou's enchanting series of books about an underground secret society of owners, masters, mistresses, and their property: submissives, maids, butlers, and pleasure slaves.

In the first volume, follow the trials and tribulations of four aspiring slaves as they undergo training hoping to be accepted into The Marketplace. Under the firm hand of Grendel, the sharp eye of Alexandra, and the painful leather strap in the hands of Chris, these men and women will find some of their hardest challenges come from within themselves.

The Kindle edition contains an all-new bonus story, "For the Want of a Nail," in which Grendel and Alexandra decide to host a dinner party, and also includes the text of the bonus story from the Mystic Rose edition of The Marketplace, "A Leash Has Two Ends." (The paperback has only the text of the novel.)
