Brisa de verano (Spanish Edition) Nancy Thayer

Tres amigas se encuentran durante el verano a orillas del lago Dragonfly, en Nueva Inglaterra. Cada una acude por un motivo y busca algo distinto.

Morgan O'Keefe se siente atrapada en una jaula de oro. Con treinta años y un bebé precioso, le parece sin embargo que algo le falta, pues ha tenido que abandonar una carrera científica que le apasionaba para cuidar de su hijo, prácticamente sola, ahora que su marido pasa casi dieciséis horas al día en la oficina. Tiene una casa preciosa, pero su vida social es nula, echa de menos su trabajo y a Josh, que llega demasiado cansado a casa.

Natalie Reynolds acepta la oferta de su tía para pasar un año en la casa que esta tiene junto al lago.

Apasionada de la pintura, sueña con convertirse en la artista que siempre ha querido ser. Sin embargo, en el lago Dragonfly todo son sorpresas, y para una nadadora poco hábil como ella, la mayor es verse rescatada de las aguas por un guapo vecino, Ben.

Bella Barnaby decide dejar su empleo en Austin y volver a su casa cuando su madre se rompe una pierna y ya no puede atender la tienda que regenta, Barnaby's Barn. Pero hace mucho más que eso: convierte el negocio familiar en una tienda de antigüedades y arte de nivel al tiempo que Aaron, un atractivo arquitecto, la desea y tiene otros planes para ella, en San Francisco.

From reader reviews:

Paul Skeens:

Book will be written, printed, or outlined for everything. You can learn everything you want by a book. Book has a different type. As we know that book is important thing to bring us around the world. Alongside that you can your reading proficiency was fluently. A guide Brisa de verano (Spanish Edition) will make you to be smarter. You can feel considerably more confidence if you can know about everything. But some of you think in which open or reading some sort of book make you bored. It isn't make you fun. Why they may be thought like that? Have you looking for best book or appropriate book with you?

Alicia Hendrickson:

Information is provisions for folks to get better life, information currently can get by anyone in everywhere. The information can be a knowledge or any news even an issue. What people must be consider whenever those information which is from the former life are hard to be find than now is taking seriously which one would work to believe or which one the resource are convinced. If you get the unstable resource then you have it as your main information you will see huge disadvantage for you. All those possibilities will not happen inside you if you take Brisa de verano (Spanish Edition) as the daily resource information.

Louis Ono:

Do you like reading a book? Confuse to looking for your chosen book? Or your book seemed to be rare? Why so many concern for the book? But virtually any people feel that they enjoy intended for reading. Some people likes examining, not only science book but in addition novel and Brisa de verano (Spanish Edition) or others sources were given expertise for you. After you know how the truly amazing a book, you feel wish to read more and more. Science guide was created for teacher or maybe students especially. Those guides are helping them to bring their knowledge. In different case, beside science reserve, any other book likes Brisa de verano (Spanish Edition) to make your spare time considerably more colorful. Many types of book like here.

Donna Valdez:

A lot of people said that they feel bored stiff when they reading a guide. They are directly felt the item when they get a half portions of the book. You can choose the actual book Brisa de verano (Spanish Edition) to make your own reading is interesting. Your own skill of reading proficiency is developing when you such as reading. Try to choose easy book to make you enjoy to study it and mingle the feeling about book and studying especially. It is to be initial opinion for you to like to open a book and examine it. Beside that the guide Brisa de verano (Spanish Edition) can to be your brand new friend when you're experience alone and confuse with the information must you're doing of the time.
