Gathering Those Driven Away: A Theology of Incarnation Wendy Farley

This book is a powerful expression of Jesus Christ given in the midst of the brokenness and hostilities of this world, as experienced by those who are marginalized and persecuted in contemporary society. Drawing on broader sources in the Christian tradition, Farley maintains the power of Jesus of Nazareth as the expression of the Divine Eros in Wisdom, to break powers of sin, and provide a vision of life, which is an alternative Empire to present ways and where love reigns as norm.
