Detroit: The Unauthorized Autopsy of America's Bankrupt Black Metropolis Paul Kersey
Detroit. Busted. Broke. Bankrupt. Why? Once the most civilized of American cities, Detroit was known by many as the 'Paris of the West'. Now, however, the city of Detroit lies in ruins, victim of its own population. The tragic story of the death of Detroit serves as a lesson -- but what have we learned? In *Detroit: The Unauthorized Autopsy of America's Bankrupt Black Metropolis*, Paul Kersey answers this question. His cutting-edge investigation looks inside the corpse of this once-great city and reveals the rot and cancer that ate away its fiscal health over the past fifty years. Beloved conservative economist Thomas Sowell wrote this about Paul Kersey: "It would be easy to dismiss Kersey as a racist. But denouncing him or ignoring him is not refuting him." It's not a pretty sight. Autopsy is an ugly process. But the truth about the death of Detroit must be known. In these pages, Paul Kersey peels away the lies, spin, and fantasy layer by layer and reveals the truth about the death of Detroit.
