Unlike so many of his teammates, Joel never left small-town Quinn after high school. Coach Carr offered him a full-time job on his ranch, and Joel was more than happy to stay near family. In his downtime, Joel good-naturedly competes with his best bud Oakley for the sexy local bartender's attention, but Sadie repeatedly turns down their frequent requests for dates. She doesn't want to come between the two friends...until a little too much champagne at a wedding reception leads to a sizzling encounter. In that moment, Joel and Oakley know they'll never make Sadie choose -- she can have them both.

A no-strings affair between the trio turns complicated when it becomes clear there's nothing casual about their feelings. Add in a sensual, accidental touch between Joel and Oakley, and those feelings become intense times a thousand. It's an emotional game of chance, one they may ultimately lose...but if they can reach the Red Zone, Joel, Oakley and Sadie have a chance at the biggest score of their lives.
