The Bay of Noon: A Novel Shirley Hazzard

Long out of print, Shirley Hazzard's classic novel of love and memory

A young Englishwoman working in Naples, Jenny comes to Italy fleeing a history that threatened to undo her. Alone in the fabulously ruined city, she idly follows up a letter of introduction from an acquaintance and so changes her life forever. Through the letter, she meets Gicanda, a beautiful and gifted writer, and Gianni, a famous Roman film director and Gicanda's lover. At work she encounters Justin, a Scotsman whose inscrutability Jenny finds mysteriously attractive. As she becomes increasingly involved in the lives of these three, she discovers that the past--and the patterns of a lifetime--are not easily discarded.
